You are strongly encouraged to consult with your tax advisor regarding your charitable contribution.

The Fort Hays State University Athletic Department gratefully acknowledges your in-kind contribution. The following information pertaining to your in-kind contribution is being provided for your convenience and does not constitute legal advice on behalf of Fort Hays State University, Fort Hays State University Athletics or their employees. You are strongly encouraged to consult with your tax advisor and refer to the IRS publications referenced below:

- To claim a tax deduction for in-kind gifts valued between \$500 and \$5,000, the donor must complete Part 1 of IRS Form 8283.
- For gifts that exceed \$5,000, the donor must
 - a) Complete ALL parts of IRS Form 8283 and submit the complete form to the Fort Hays State University Foundation for a signature.
 - b) Submit a certified appraisal dated no more than 60 days from the date of the donation. The appraisal must be prepared, signed and dated by a qualified, third-party appraiser.

Charity Auction donors who provide goods for charities to sell at an auction often ask the charity if the donor is entitled to claim a fair market value charitable deduction for a contribution of appreciated property to the charity that will later be sold. Under these circumstances, the law limits a donor's charitable deduction to the donor's cost (tax basis) in the contributed property and does not permit the donor to claim a fair market value charitable deduction for the contribution.

Please use this space for any additional information regarding your donation.
